Work Samples:

Work samples will help IN:SITE curators understand your proposed project. Please select 2-5 samples which relate to your proposed project and illustrate your typical aesthetic decisions and material choices. Label each work sample with your name, title of the work, medium, and dimensions of the work (height, width, depth).

Please list your work samples below (using the labeling guidelines above):

1.	
2.	
3.	
4.	
5.	

If submitting a hardcopy of this proposal by "snail" mail, please attach a print, photograph or slides of your work samples to the packet. Please include a self addressed envelope with appropriate postage if you would like these samples returned to you.

If submitting your proposal by email, please use the following guidelines for formatting your files:

- .JPG file format
- Maximum width or height of 800 pixels
- Use the following example for the file name: YourLastName_sample_1.JPG

Work Sample Description:

Please provide a brief description of your work samples. Introduce the work(s) and provide context for the images. Please describe how your work samples relate to your proposed project.
